DEPARTMENT OF HEALTH AND HUMAN SERVICES**

New Hampshire Medicaid Program

To: NH Medicaid Home Health Providers

From: NH Division of Medicaid Services

Date: May 12, 2025

Subject: Services Provided to Multiple Patients – **June 2025 UPDATE**

New Hampshire Medicaid requires use of the TT modifier in order to identify services provided by one provider to two or more patients. Billing for a single provider, two or more patients, in the same setting will use the following codes:

- T1019-TT (Personal care services, per 15 minute)
- G0156-TT (Services of Home Health/Hospice Aide in Home Health or Hospice Setting, per 15 min)
- S9123-TT (Nursing care, in the home; by registered nurse, per hour) ***Newly Added For June 1, 2025***
- S9124-TT (Nursing care, in the home; by licensed practical nurse, per hour) ***Newly Added For June 1, 2025***

The rate for the above codes will be consistent with the rates for those codes without the modifiers. The provider will be paid the same rate for both beneficiaries.

This modifier should be used by the following providers when working with two or more patients:

- Home Health Aide
- Hospice Aide
- Personal Care Services Aide
- Private Duty Nursing ***Newly Added For June 1, 2025***
