New Hampshire Medicaid Program

---

**To:** NH Medicaid Enrolled Nursing Facility Providers  
**From:** NH Division of Medicaid Services  
**Date:** 7/18/2023  
**Subject:** New Nursing Facility Claims Submission Requirement

**Beginning February 1, 2024**, all Nursing Facility providers are required to have all attending providers enrolled with NH Medicaid and submit the attending provider name and National Provider Identification (NPI) number on all facility claims.

All electronically submitted institutional claims are required to adopt the ASC X 12 Version 5010 HIPAA transaction standards in data content and data condition requirements of the standard. As part of these requirements the attending provider name and NPI must be submitted on all ASC X 12 transactions.

All providers submitted on claims must be enrolled and screened by NH Medicaid prior to services being delivered for the claim to be paid. The screenings are necessary to ensure providers do not have any sanctions or preventions from providing services to Medicaid members. 42 CFR 455.410 (b) states: "The State Medicaid agency must require all ordering or referring physicians or other professionals providing services under the State plan or under a waiver of the plan to be enrolled as participating providers." 42 CFR 455.410 (a) states: "The State Medicaid agency must require all enrolled providers to be screened under to this subpart."

Beginning in August 1, 2023, billing providers will be notified through their remittance advice (RA) if an attending provider was missing from the claim or the attending provider listed on their claim is not enrolled with NH Medicaid. The RA will have a reason code of 206 if the claim is missing the attending provider NPI. The RA will have a reason code of 207 if the attending provider NPI is not enrolled with NH Medicaid. Billing providers must ensure all attending providers are enrolled with NH Medicaid before February 1, 2024.

If there are any questions on this notice, please contact the Provider Relations Unit at (603) 223-4774 or (866) 291-1674.

Thank you,
