Subject: Updated Community Mental Health Manual - Provider Manual Volume II

As part of an initiative to review and update all Provider Manuals, NH Medicaid is releasing a new Community Mental Health Manual - Provider Manual Volume II. This manual should be used in conjunction with the General Billing Manual – Provider Manual Volume I. Please ensure that both manuals are available to and reviewed by any staff that work with the Medicaid program.

The General Billing Manual – Provider Manual Volume I, along with the Part II Provider Specific Manuals, will be edited on an ongoing basis and all changes will be reflected in the Change Log at the beginning of the document. Although these manuals can be saved and printed, please remember to regularly refer back to the New Hampshire Medicaid Management Information System (MMIS) website to ensure that you are accessing the most up-to-date manuals.

If there are any questions on this notice, please contact the Provider Relations Unit at (603) 223-4774 or (866) 291-1674.

Thank you,

NH Medicaid Provider Relations
